Dear Margaret:—

Well, well, I am surprised that
you did not come home with
your mother yesterday. I am
so glad they were down to see
you. sorry I wasn't along but
I hope to see you next Sunday.
I am glad you are enjoying
yourself & Mamas too little
mischief I would like to give
her a good bear hug. Hope you
come home big & fat but dont
over eat or drink too much milk.
Now Mother must put in a little

word of warning. About you
girls go up to some of those St
dances, unless some of your
advisers, or Foster Mother's are
along.
It's not safe for you girls to
go home alone please tell Louise
I said she must not do it.
I ate a lot of those sour cherries
they were delicious & so pretty.
They must be beautiful on the
trees. Harold said he was so
far away he could not get over
to see you girls.

Tell Louise she had an invitation
from Vera Peanight to come up
to Dunkirk. Bye Bye with
bunches of love to all. Medd
included. Mother L.
